Rules for the Money Bag Game:

Grand Prize Money Bag Contest: In order for the grand prize to be awarded to the selected eligible finalist, that finalist must select the three (3) money bags from a set of (15) money bags provided for their contest attempt that each have been inserted with a sealed contest envelope that contains an official "Winning Prize Certificate".

The following will apply to the grand prize finalist contest attempt:

- All contest attempts must occur in the presence of the contest administrator. Any attempt not made in the presence of the contest administrator for any reason will be disqualified and is not eligible for the grand prize.
- Each eligible finalist will be presented with a unique set of (15) money bags. Each money bag will contain one sealed contest envelope which is identical in size, shape, and color.
- Each of the sealed contest envelopes will be labeled with a number to encompass the entire range of numbers from 1 to 15. No two contest envelopes will be printed with the same number within the set of (15) contest envelopes.
- Each eligible finalist will be required to select a maximum of three (3) money bags from their unique set of (15) money bags and remove the sealed contest envelope contained inside each selected money bag. In the event any money bag contains more than one (1) sealed contest envelope – the finalist will be required to select only one of the envelopes.
- Each eligible finalist will then open and remove the enclosed prize certificate contained inside each selected contest envelope. Opening more than three (3) sealed contest envelopes for any reason will disqualify the contestant, and void any opportunity for that contestant to claim the grand prize.
- Each eligible finalist will then reveal each prize certificate to the contest administrator to determine if each certificate is a "Winning" or "Non-Winning" prize certificate.

In order to claim the grand prize, the three (3) sealed contest envelopes selected and opened by an eligible finalist must each contain a "Winning" prize certificate. The winning symbol printed on the grand prize winning certificates for this contest will be a picture of a **LION**. The "Non-Winning" prize certificates will be printed with a picture of a "**ZEBRA**". If a finalist selects any sealed contest envelope that contains a "Non-Winning" prize certificate, then they will not be a grand prize winner in the contest.

IMPORTANT: In the event of an error in the preparation of the contest materials or any tampering that results in any particular set of (15) sealed contest envelopes containing more than three (3) "Winning Prize Certificate", that particular contestant attempt is void. The corresponding contestant will be entitled only to re-attempt the contest, and will be provided a new set of sealed contest envelopes for their re-attempt.

Grand Prize: In the event an eligible selected grand prize finalist successfully completes the grand prize money bag contest requirements, that finalist will be eligible to claim the grand prize, subject to approval and verification of compliance with these official rules.. The grand prize for this contest is: **\$100,000.00 cash, paid in a form of a check to the grand prize winner**

A maximum of one (1) grand prize award will be available. In the event that multiple finalists successfully complete the grand prize winning requirements, then the cash value of the grand prize will be evenly split among eligible winning finalists. In the event the grand prize winning requirements are not successfully completed by an eligible finalist, **then the grand prize will not be awarded.**
