## October Employee of the Month

### Bob Frongetta Floor Attendant

Bob has stepped up and helped our department in many, many ways these last few months. He has covered many shifts in a moment's notice, stays late if needed, and switches his schedule around for unforeseen last minute changes. Bob is truly an asset to our department and patrons love him.

# MANAGER KUDOS

**Submit your manager  
kudos to the graphics  
department at  
ANY TIME**

for the next employee newsletter to express thank you's, congrats, and a job well done to all the AMAZING employees who put in their hard work for Batavia Downs Gaming & Hotel.

I'd like to give a huge shout out to Player's Club & the hosts for their hard work during the concert season. They've handled themselves not only professionally, but friendly and efficiently. Several customers that have waited in line after the concerts have commented on how fast they got through the line, and that they didn't have to wait long at all. I know concert season isn't easy, and I'm very proud of all of them and am lucky to be on the same team as them. Great job all. On to racing season.

Player Tracking Manager**
