

# Jackpot High 5 Rules

The Jackpot High-5 wager involves selecting the first five finishers in one race, in the exact order of the official results.

The minimum wager is .20 cents. The takeout is just 20%.

Batavia Downs offers the Jackpot High-5 wager on the last race nightly.

In the event there are multiple tickets sold that correctly select the first five finishers in the exact order, 60% of the nightly Jackpot High-5 pool will be distributed to the holders of tickets' with the first five finishers in exact order, and 40% of the nightly Jackpot High-5 pool will be carried over to the next scheduled Jackpot High-5 event and added to any existing carryover pool.

The entire Jackpot High-5 net pool, plus any previous carryover pool will be paid when there is **one and only one** winning ticket sold that correctly selects the first five finishers in exact order.

In the event there is no ticket sold that correctly selects the first five finishers in exact order, the entire Jackpot High-5 net pool, plus any previous carryover, will be carried over to the next scheduled High-5 event.

There is no consolation payout in the Jackpot High-5.
